DETAILED ACTION

Allowable Subject Matter

1. Claims 1-27 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or fairly suggest a gateway coupled between the local network and one or more additional networks for determining a link type associated with a communication link between the gateway and at least one additional device of one or more additional networks; wherein, the communication link being external to the local network and further comprising a communication link of the one or more additional networks, by transmitting and examining a corresponding response over the communication link and configuring the gateway and the additional device in accordance with the determined link type, as specified in independent claims 1, 14, and 27.

The prior art does not teach or fairly suggest wherein the determining step includes first testing to determine if the link is an LLC type link, performing at least one additional test of a first type if the link is not an LLC type link and performing at least one additional test of a second type if the link is an LLC type link, as specified in independent claims 11 and 24.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
